**Waiver and release:** I know that participating in walking includes an element of risk and could be a potentially dangerous and hazardous activity. I should not participate in Wonders of Walking club activities (hereafter called the "club") unless I am medically and physically able. I assert that I am medically and physically able to participate in the club. I further assert that I am responsible for my own personal safety, and that I shall not endanger myself or others by my participation in the club activities. I understand that any individuals who may lead activities are not physical or athletic trainers and are therefore not qualified to give fitness, training and/or technique advice nor are they qualified to identify or treat injuries. I agree to abide by any and all decisions by a club representative concerning my being able to participate in or compete in club walks and activities. I agree that club officials may authorize necessary emergency treatment for me, and that I will assume and pay for my own medical and emergency expenses in the case of an accident, illness or other incapacity. I further assume any and all risks associated with participating in club, including, without limitation, falls, contact with other participants, the effects of weather, including high heat and/or humidity, road conditions and traffic on the course, all such risks being acknowledged and appreciated by me. I agree to abide by club rules and to follow any and all instructions given by a club representative. I further understand that club representatives, as volunteers, have no authority to make promises on behalf of or bind Wonders of Walking in any way. Having read this waiver and knowing the facts, and in consideration of the acceptance of my joining, I hereby for myself, my heirs, successors and assigns, covenant not to sue, and wave, release and discharge all subsidiaries, affiliates, assigns, representatives and successors of the following: Wonders of Walking, LLC, USA Track & Field, any and all federal, state, city, county or regional governing bodies, departments and/or agencies, club officials and volunteers, sponsors, supplies and any other personnel in any way assisting or connected with club, as well as their respective directors, officers, employees, agents and successors, from any and all claims or liabilities arising out of my participating in club, even though that liability may arise out of negligence or carelessness on the part of the persons named in this waiver. I grant permission to all the foregoing to use photographs, motion pictures, video, recordings or any other record of club activities for any legitimate purpose.
